Question of the Day: Someone in my house is a close contact for COVID-19. Does that mean I'm a close contact too? (Source: Arizona Department of Health Services)

- Not necessarily. If your household member develops symptoms of COVID-19 or tests positive for COVID-19, then you will be considered a contact for COVID-19.
- If your household member remains asymptomatic and does not test positive for COVID-19, then you are not considered a contact for COVID-19.
- The contact in your house should self-monitor for symptoms, including checking their temperature for a fever twice daily.
- Current symptoms reported for patients with COVID-19 have included:
 - mild to severe respiratory illness with fever
 - cough
 - difficulty breathing or shortness of breath
 - chills
 - muscle pain
 - headache
 - sore throat and new loss of taste or smell
 - Other less common symptoms include gastrointestinal symptoms like nausea, vomiting, or diarrhea
- Symptoms begin 2 to 14 days after exposure to the virus. Complications include secondary bacterial pneumonia, respiratory failure, and death.

Arizona Department of Health Services (ADHS) recent updates can be found on the COVID-19 Reporting Dashboard.

Yuma County health officials confirm “moderate spread” of COVID-19 throughout Yuma County. We encourage all residents to take the necessary precautions including physical distancing and staying home if you are sick. Remember to:

- Wash your hands often with soap and water for 20 seconds.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Avoid people who are sick, and avoid groups of 10 people or more.
- Clean and disinfect frequently-touched surfaces like light switches, door knobs, electronic devices, etc.
- Stay home if you are sick so you do not expose others.
- Practice physical distancing, staying 6 feet away from others.
- Cover your mouth and nose with a cloth face cover when around others.

JOINT INFORMATION CENTER (JIC) UPDATE

NOTE, some of the below information has been updated from previous releases. Please be sure to read all segments.

YUMA COUNTY

Yuma County Administrator Susan Thorpe announced that County government offices opened to the public to conduct business beginning Monday, October 5th, under the County's reopening plan.

In this video to the public, Mrs. Thorpe details the specifics of Phase 1 opening and what you can expect when visiting County facilities: [COUNTY ADMINISTRATOR REOPEN MESSAGE](#)

Yuma County Government Offices PUBLIC visitation hours:

Effective Monday, October 5th, County offices will be open to the public on Mondays, Wednesdays and Fridays from 8:00 a.m. to 5:00 p.m.

County libraries will begin limited reopening to minimize exposure to COVID-19:

- The Main Library, San Luis, Somerton and Foothills Libraries will have metered access based on size and staffing, with a limit on the number of people in the library at one time.
- Heritage, Dateland, Wellton and Roll Libraries will be by appointment only, due to their smaller staffing.
- Please visit the [Library's website](#) for more information on hours and available services.

CITY OF YUMA

City facilities will close to the public Wednesday, Dec. 23, through Jan. 3, 2021. During that time, City staff will be available to customers by phone, email or appointment outside of the City's official holidays of Dec. 24-25 and Jan. 1, 2021. All City facilities will be temporarily closed to the public excluding non-aquatic parks facilities and Desert Hills Golf Course. Pools will be closed.

To honor our healthcare workers and the sacrifices they make, the City of Yuma has launched Adopt-a-Nurse Yuma, an initiative to pool local resources to provide meals and other encouragement efforts for our city's healthcare workers. Yumans can participate by making a donation, or dropping off a thank-you, Christmas or holiday card. Residents can also simply reach out to an acquaintance in the healthcare field to thank them for the work they are doing on behalf of our entire region. Individuals, businesses, and community organizations interested in supporting the initiative are encouraged to contact Kirk Dunn at kirk.dunn@yumaaz.com.

Marine Corps Air Station - Yuma

Effective 04 September, the Trusted Traveler Program has been reinstated. Visitors without a CAC or DOD identification will be allowed to enter with a sponsor. Visitors will be required to provide justification for needing access to the installation and granted access to the base with someone who has a CAC or DOD identification card who will be sponsoring/escorting them aboard the base.

Under the program, sponsors and/or guests may be subject to a background check.

Safety measures are still required by MCAS Yuma in order to help stop the spread of

COVID-19.

YUMA PROVING GROUND

Although certain access restrictions directed by the Department of the Army are in place, Yuma Proving Ground's essential test mission in support of Army modernization priorities continues. Access to Yuma Proving Ground is currently restricted to the following:

- * YPG residents, including Travel Camp residents
- * YPG employees
- * Civilian contractors who work at YPG
- * Other personnel who come to YPG for an authorized purpose (including personnel on official orders to YPG, DoD retirees/ID card holders, and delivery drivers)
